## Room Number: \_\_\_\_\_

This worksheet is designed for planning purposes only and does not need to be submitted for official use. Some hotels allow placing more than the standard 4 persons in a room. You should contact your hotel about this possibility. Remember that roll-a-way beds are not guaranteed or very comfortable. :)

Putting more than 4 people in a room may help keep your cost per person low, or cover the cost of your leaders or people you wish to scholarship. Be sure to inform your participants if they will have more than 4 in a room as they will need to bring their own bedding.
